

ATHLETIC TRAINING PROGRAM
ENROLLED PROFESSIONAL PHASE STUDENTS
ADVISING – SPRING SEMESTER 2019

3Y Students

- ATR 458 (3)
- Apply for Graduate Schools
- Take BOC Certification Examination in March-April Window
- Complete Requirements for Graduation
- File for Graduation

2Y Students

- ATR 360 – Clinical Eval & Diagnosis III (3)
- ATR 456 – Ther Intervention II: Rehab & Recon (3)
- Complete Core Curriculum Courses
- Plan for Taking the GRE This Summer
- ATR 420 – Clinical Skills IV (1)
- KIN 492 – Exercise Physiology (3)
- Begin to Make Plans for ATR 453 (Summer)
- Begin to Begin Thinking About BOC Exam

1Y Students

- ATR 320 – Clinical Skills II (1)
- BSC 216 – Human Biology (4)
- Electives
- ATR 357 – Clinical Eval & Diagnosis I (3)
- MA 113 – Precalculus Trigonometry (3)
- Complete Core Curriculum Courses

**** STUDENTS MUST MAINTAIN A 2.5 CUMULATIVE GPA****

SPECIFIC CONSIDERATIONS

1. The Spring 2019 Schedule of Classes is available on myBama. You must be **organized** and have an outline of the courses that you want to take prior to your scheduled advising appointment. Once you decide on selected classes, **PICK TWO ADDITIONAL CLASSES YOU COULD TAKE, IN CASE YOUR SELECTION IS NOT AVAILABLE.**
2. Courses in Nutrition, Physics, and Chemistry are recommended.
3. Schedule all academic classes early in the morning. The majority of your clinical education experience will occur in the afternoon. Avoid scheduling classes during **BOTH** the 9-10, 10-11 & 11-12 slots on WF. Clinical Skills Lab is open from 9-12 WF. It is very important that your schedule allow you to attend CSkills lab. Speak with your Spring 2019 Preceptors about their projected schedule(s) so that your schedule will be as conflict-free as possible
4. Review and complete all core curriculum requirements. (*2018-2019 Undergraduate Catalog – catalog.ua.edu*)
5. Specific athletic training classes offered in Spring 2019
 - ATR 320 – Integration of Clinical Skills II – WF 9:00-9:50, 10:00-10:50a OR 11:00-11:50a
 - ATR 357 – Clinical Evaluation & Diagnosis I – lecture TR 9:30-10:45; lab M 8:00-9:50a
 - ATR 360 – Clinical Evaluation & Diagnosis III – lecture TR 11:00-12:15; lab M 10-11:50a
 - ATR 420 – Integration of Clinical Skills IV – WF 9:00-9:50, 10:00-10:50a OR 11:00-11:50a
 - ATR 456 – Therapeutic Intervention II: Rehabilitation & Reconditioning – lecture M 6:00-9:00p; W 8:00-9:50a
 - ATR 458 – Seminar in Athletic Training – lecture W 2:00-5:00p
6. Schedule an advising appointment with Dr. Leaver-Dunn. Follow the link in the Sign Up Genius email that you received in order to schedule an advising time.

**ATHLETIC TRAINING PROGRAM
PROFESSIONAL COURSE SEQUENCING**

FIRST SEMESTER – FALL – FIRST YEAR STUDENT

ATR 300	Foundations of Athletic Training	BSC 215	Human Biology I
ATR 305	Clinical Biomechanics	NHM 315	Nutrition for Performance
ATR 310	Integration of Clinical Skills I	CORE CURRICULUM REQUIREMENTS	

SECOND SEMESTER – SPRING – FIRST YEAR STUDENT

ATR 320	Integration of Clinical Skills II	MA 113	Precalculus Trigonometry
ATR 357	Clinical Evaluation & Diagnosis I	CORE CURRICULUM REQUIREMENTS	
BSC 216	Human Biology II		

SUMMER AFTER FIRST YEAR

EMT-B National Registration

THIRD SEMESTER – FALL – SECOND YEAR STUDENT

ATR 358	Clinical Evaluation & Diagnosis II	PH 101	General Physics
ATR 410	Integration of Clinical Skills III	CORE COURSE REQUIREMENTS	
ATR 457	Ther Intervention I: Ther Modalities	ELECTIVES	

FOURTH SEMESTER – SPRING – SECOND YEAR STUDENT

ATR 360	Clinical Evaluation & Diagnosis III	KIN 492	Physiology of Exercise
ATR 420	Integration of Clinical Skills IV	ELECTIVES	
ATR 456	Ther Intervention II: Rehab & Recon		

SUMMER AFTER SECOND YEAR

ATR 453 Applied Clinical & Research Skills

FIFTH SEMESTER – FALL – THIRD YEAR STUDENT

ATR 454	Healthcare Administration	ATR 455	Pharmacology & Pathology
ATR 430	Integration of Clinical Skills V	ELECTIVES	

SIXTH SEMESTER – SPRING – THIRD YEAR STUDENT

ATR 458	Seminar	INTERNSHIP/FELLOWSHIP OPPORTUNITIES	
ELECTIVES		BOC CERTIFICATION EXAMINATION
