

DEPARTMENT OF HEALTH SCIENCE
COLLEGE OF HUMAN ENVIRONMENTAL SCIENCES

Service Commitment

Service is an essential role of the Department of Health Science faculty and students. Service to the department, college, university, community, and profession contributes to professional development while expanding and reinforcing teaching, learning, and research activities. Committed and engaged faculty members and students enhance the department teaching and learning community and help create an equitable and healthy society.

The Department of Health Science values service of faculty and students exemplified by the following:

- Character
- Commitment
- Cultural competency
- Diversity
- Engagement
- Excellence
- Integrity
- Leadership
